Politika, 15/10/2018

One of the priorities of the Management of Palirria S.A is to provide help and support to the local community. This is the reason why the company offered full equipment (jackets, bags, uniforms, tracksuits, shoes) to all players of the local football team of Politika Evia as part of its social contribution.

The players of the team as a gesture of appreciation they took a picture wearing their tracksuits.
